ARTISTS:
Art Marketing Help

Does being an artist and trying to promote your artwork have you feeling alone, frustrated, or unmotivated?

Are you procrastinating what could be a great career?

We're forming an artist salon guided by the FREE marketing plan available at www.artbizconnection.com. All motivated artists interested in selling their work and committed to the success of other artists are welcome to join us. Details at:

artbizconnection.com

This is for you if you're ready to take your career to the next level and realize you would benefit from support focusing or refocusing on your art business.

So, are you?

Take my information from one of the tabs below. I hope you can join us!
